Unique nitro cold brew at Tlap's Coffee

Thanks to the Tlap's Coffee espresso bar, Brumlovka is one of the very few places where you can enjoy a unique nitro cold brew. This is a 12-24 hour cold-macerated coffee, which gives it a different flavour to coffee made the usual way.

The coffee is then enriched with nitrogen. This gives it a smoothness and creaminess, enhances the power of the caffeine and pleasantly refreshes the drinker. Come and have a taste and see how delicious nitro cold brew is.

Costa Coffee

Frappé, cold brew, lemonade- summer can begin!

Beautiful and sunny weather makes people feel better. But what's even better than a sunny day? A cup of coffee that you can enjoy in different ways! Grab your favourite mug, head to Costa Coffee and get ready to sip on some coffee novelties.

Coffee lemonade

A cold kick with bubbles, that's the new coffee lemonade at Costa Coffee. The main ingredient is cold brew - cold-macerated coffee, mixed with pink grapefruit syrup and tonic. This drink is definitely not a "sugar rush". Despite the fact that grapefruit and tonic are rather bitter, they are added to the lemonade in quantities that complement the taste of coffee and let it stand out. There will also be a classic cold brew or cold brew with caramel available. Enjoy some carrot cake or apple bread with caramel.

OK POINT

A financial reserve is important at all times

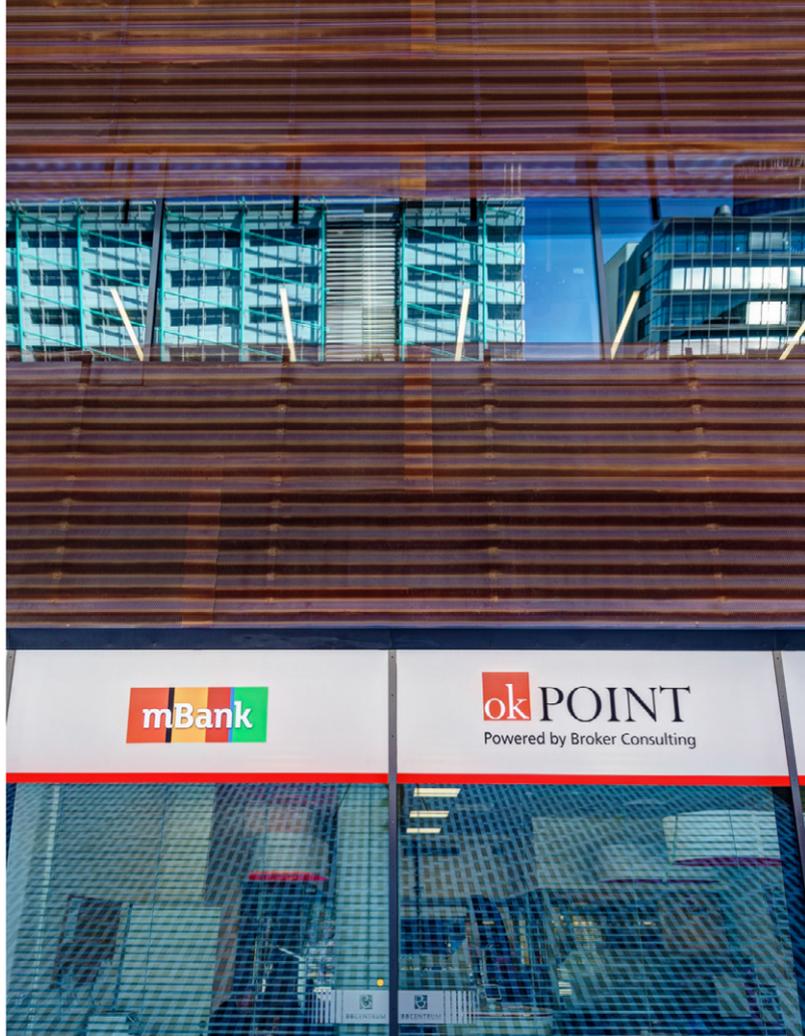

We can find ourselves in a situation that we did not anticipate at any time. We may then need a larger sum of money to resolve such a situation. Therefore, we should always have a sufficient financial reserve in case of unexpected expenses and for our normal expenditure.

This reserve can help us in case of illness, loss of our job, difficulties in our business or even just the necessary replacement of some of the equipment essential for our household for example. That is why it is important to set aside a regular portion of our funds and build up a reserve so that we have something to fall back on in the future.

Consultants, whom you can meet in the pleasant environment of the OK POINT Brumlovka branch, will be happy to help you with financial planning. Appointments can be made online or in person by calling **242 486 328**. OK POINT is open at the following times:
