In practice we will then use dynamic flow yoga, pranayama, we will stop in yin postures and at the end we will rest in deserved shavasana with guided meditation. The workshop is intended for both beginners and advanced practitioners of all ages. Being your own mat, comfortable clothing and water with you.

## A Chocolate Rendezvous at Costa Coffee

Do you know what a balanced diet is? One bar of chocolate in each hand, obviously. This is the slogan Costa Coffee lives by. Because the new products are a chocolate bomb. You can find it in cakes, as well as in a new coffee drink. It's an aphrodisiac and helps fight stress. So why not treat yourself to it in various forms.

What about enjoying a chocolate cake with raspberries or will you be able to resist a chocolate cake with salted caramel? Of the hot drinks, the White Mocha Caffè Latté and Chocolate Crunchy Cappuccino are looking really good.

# OK Point Life Insurance Is Not a Luxury, But a Necessity

A serious disease, bad accident, permanent disability. Risks that we don't usually admit, but we could all encounter them. Their consequences could affect our whole family. However, this does not have to be the case, if we agree life insurance that protects us and our nearest and dearest from the financial impacts of serious events.

Life insurance is necessary, in particular for heads of families and people who live alone. An insurance policy should be concluded as soon as possible, because the older you get, the more health risks increase, as does the insured amount that needs to be paid so that the insurance makes sense. Price should certainly not play the main role. An insurance contract should be reviewed at least once every five years, to see whether it still corresponds to the insuree's life. It is possible, for example, to increase the benefit limits, alter the risks or the extent of the contract. You can call 242 486 328 to arrange an individual meeting with them online or in person. OK POINT is open at the following times:

- **Monday** 08:30 am to 6:00 pm
- **Tuesday, Thursday** 09:00 am to 5:00 pm
- **Wednesday** 08:30 am to 5:00 pm
