Tchibo celebrates 30 years in the Czech Republic

As incredible as it may seem, this year marks the 30th anniversary of Tchibo's arrival with its coffee on the then Czechoslovak market. The path that followed has been long and interesting, marked by the birth of brand shops offering a new assortment of consumer goods each week, a large e-shop, many innovations and even untraditional coffee products.

Every day from August until the end of October, Tchibo will offer its loyal and potential customers a wide range of benefits, gifts and discounts. Come check out the brand shops at DBK and Arkády Pankrác and browse the e-shop.

For more on the history and anniversary celebrations of Tchibo, visit tchibo.cz/30-let-Tchibo.

"Thank you for 30 years of trust and patronage and also for the lovely 10 years in the offices at BBC Villas at Brumlovka, which we will celebrate in November".

The summer holiday offer at Costa Coffee

Whether you go for sports, visit the fountain on Náměstí Brumlovka with children or just sit in the garden, do not forget about suitable refreshments. The summer offer of Costa Coffee is truly broad, with something for everyone!

Those who enjoy keeping things simple will certainly enjoy an Espresso Tonic. Costa Coffee offers this drink in three versions. Besides the classic, have you tried Ginger Ale and Bitter Rose?

Coffee and dessert in one – that's Frostino! It combines chilled espresso, fresh milk and crushed ice. Most often it's accompanied by a dollop of lightly-sweetened whipped cream, a sweet topping and the flavour of a selected treat – chocolate and cookies or apple and cinnamon. But if you're not in the mood for coffee, try a dairy version with the flavour of blueberries.

Cappuccino and Iced Cappuccino are available at the special price of CZK 49 from August 2 to August 15. Caffe Latte and Iced latte are on special for the same price from August 16 to August 31.
