

New Tenant Service: BB CENTRUM CARPOOLING

We are constantly working to come up with new ideas on how to make working conditions at BB Centrum more pleasant. **One new thing is CARPOOLING – a transport method whereby drivers offer passengers a ride, ideal for regular trips to and from work.** An important prerequisite is that both parties are interested in being transported at an agreed-upon time to a common destination.

Breakfast at PuzzlePasta: A Great Reason to Get Up!

It's tough in the winter! Outside it's still dark and quiet. No one wants to get up early in the winter. The people at PuzzlePasta didn't want to either, and so they came up with their **BREAKFAST OFFER (every weekday from 8:00 a.m. to 10:00 a.m.)**. The point is that you have something to really look forward to and that's guaranteed to lift your spirits. Have a tough meeting at ten? Eat a good breakfast beforehand. **You can choose from a truly wide selection of high quality foods, from freshly baked cakes and kolache, to Puzzle muesli or porridge, to their famous eggs, made just how you like them.**
