CEBIA: Anti-Theft Protection for Your Car for Just CZK 500

Cebia now offers a **special summer discount of 70% on glass etching for vehicle security**. Instead of CZK 1,700, you'll pay just CZK 500 for this security service. By engraving your vehicle's VIN number on the glass, the risk of theft is reduced by 96% over the life of the car. Vehicles with engraved codes on the glass are difficult for thieves to sell, so they generally avoid them.

And how can you take advantage of this discount? Make an appointment at cebia@cebia.cz or by phone at 222 207 207. On the appointed date and time, bring your vehicle to the Cebia service center, located in the ALPHA Building parking garage, and be sure to say the magic words at the reception to get your discount: **BB Centrum**.

In addition, you'll get FLEX service for one year for free, which covers expenses associated with finding and returning your car in case of theft.

Promotion valid until September 30, 2018.
