Vietnam. A country full of colors and contrasts. Learn more about everything this country has to offer at the next lecture in our Travel Night series.

During this Travel Night, you'll learn more about deserted and photogenic beaches in central Vietnam, handicraft workshops, floating markets, limestone islands in Halong Bay, and the easily accessible Khmer temples. And a special treat at the end - a ride on a wild ostrich in the midst of sand dunes!

## Radka Chvalova Beauty Studio

**Radka Chvalova Beauty Studio Offers Manicures and Pedicures, Full Body Waxing, SOTHYS Cosmetics, and Body Rituals.**

One popular treatment that you'll surely love is the **HANAKASUMI** body ritual. It's based on traditional Japanese rituals designed to cleanse the body and spirit. They're particularly suitable for clients who suffer fatigue, heavy leg syndrome, and stress.

The treatment is accompanied by the pleasant scent of cherry blossoms and lotus, which stimulates the senses and induces deep relaxation. The ritual begins with a light manual massage through a towel for total relaxation of muscles and body tension. Afterwards, a warm body scrub is applied to the whole body. While this is working, you'll receive a relaxing reflexology foot massage to harmonise energy flows. This is followed by a full body massage, which will return you to a state of complete harmony of body and spirit.

You or your loved ones can use popular gift certificates at Christmas time for cosmetics and treatments.
