

Brumlovka the only site in the EU to be awarded the Fitwel certification with the highest rating

In early 2025, our Brumlovka site, covering an area of 25 hectares, was **awarded the prestigious Fitwel certification with the highest three-star rating**, the first and only one in continental Europe. This US certification, based on more than 7,000 academic studies to promote mental and physical well-being, evaluates sites from the perspective of users and assesses health, environmental and social aspects.

To obtain the award, Passerinvest Group documented the results of 68 parameters and submitted 246 documents. Brumlovka was praised for aspects such as its healthy lifestyle, blue-green infrastructure, healthy working environment, transport accessibility, civic amenities, support for cultural life and many others.

Talk: Healthy Sleep

When: Thursday 12 June, from 6 p.m.

Where: FLEKSI, Beta Building, Vyskočilova 1481/4

Speaker: MUDr. Pavel Šnajdr, Ph.D.

Sleep. It's often on our list of priorities after all the other things we have to do - work, studying, scrolling, watching YouTube or Netflix. But this is a mistake, as sleep is essential for our health and mental well-being. Ideally, we should spend 6-8 hours a day on it.

A lack of sleep leads to fatigue, poorer concentration, higher risk of depression, anxiety, weight gain and faster skin ageing.

What will you learn during the talk?

- Tips for a better sleep
- Sleep hygiene rules
- The influence of lifestyle
- What herbs help?
- Pharmacological therapy options

Since then, she's been developing projects that combine concrete aid with innovation and humanity. She's behind initiatives like TERIBEAR, the College Fund, Lighthouse, Adopce.com and Fashion for Kids. Every day she's motivated by the most important thing – witnessing real change in the lives of children.
