Talks from Brumlovka

When: Wednesday, 30 July, from 6 p.m.

Where: première online on the **Brumlovka FB profile**

Every month, we invite people, who we feel have something to say and whose professional or personal life is somehow associated with Brumlovka. We want to seek out inspiration and advice for you, but also to present life's victories and defeats.

Different person, different topic, but always at Brumlovka.

This month: Petr Bečán

He started working for the Passerinvest Group in May 2020 in the position of Property Manager, and he was gradually also entrusted with partial ESG administration. He takes care of two buildings as manager - Building A on Vyskočilova Street and the new Roztyly Plaza on Roztyly.

But Brumlovka is also his home - he lives just a few minutes walk from work, so he uses the location not just as an employee, but also during his free time with his family.

The interview will be conducted by Eduard Forejt

Radek Gabriel Skočný: „I AM ALPHA AND OMEGA“

When: 1-31 July 2025

Where: Roztyly Plaza building, Tomíčková 2427/2

The exhibited paintings are a selection of works from the unfinished 33-part cycle of paintings under the name of "I AM ALPHA AND OMEGA". These paintings depict the life of Jesus Christ as described by texts from the Bible. Radek is self-taught and has been painting since 1996. His paintings have found their way into the collections of people living in the Czech Republic, Slovakia, Holland, France, England and Mexico.

He has now found a liking for sacral painting and has been searching for a modern painting style to use to depict Jesus' life and other Biblical testimonies, thereby reflecting his Christian faith in his work.

Come and be inspired and enjoy an exceptional art experience.
