Metro line C closure: shuttle service to Brumlovka provided

with a new transfer stop at Kolkovna

According to an announcement by the Prague Public Transport Company, **metro line C will be suspended between August 2 and 10, 2025** on the section between Muzeum and Chodov due to planned track repairs. During the closure, **replacement bus service** will be provided to ensure convenient travel between the affected metro stations.

To ensure comfort and convenient connections for passengers traveling to Brumlovka, shuttle service between Brumlovka and Budějovická will be maintained throughout the closure. For better connections between temporary services, we are also adding a stop at Budějovická, specifically near the Kolkovna restaurant, where it will be easy to transfer.

We believe that even during this short-term change, your journey will be as comfortable as possible.

Travel Evening: Corsica

When: Wednesday, 6 August, from 5:30 p.m.

Where: Filadelfie Building shopping arcade, Želetavská 1525/1

Speaker: **Pepa Středa**, a travelling photographer and freelance publisher

Beaches, canyons, high mountains - plus fortresses and stone towers. If you want to get an idea of what you can see and experience in Corsica, join us and discover this colourful island, which has something for everyone.

While the kids play on the beach, their 'mountaineer' daddy will have time to visit a nearby hill - and then the whole family can plunge into the pools of the river gorges together. Then we'll move from the sea to the GR20 mountain trail - supposedly the most beautiful and also the most challenging trek in the world.

Exhibition: Marek Pavlíček

When: 2 - 29 August 2025

Where: Alpha Building, Vyskočilova 1461/2a

In his new exhibition, the author opens an uncompromising visual dialogue with anxiety – without filters and without pathos. Using the language of street art, raw text, symbols and layers of acrylic and glitter, he transforms inner tension into an open statement.

This exhibition is not therapy, but a confrontation. Pavlíček does not glorify pain - on the contrary: he shows it as unpleasant, real and yet communicable. Street art in his rendition becomes a form of personal and social rebellion against everything that causes anxiety - including our own inner self.

The exhibition is a radically honest statement about survival in a time when peace feels like a luxury and authenticity like a risk. It is not a peaceful exhibition. It's a scream.

Three generations of Neumanns in the MORA kitchen

The iconic MORA brand is celebrating its 200th anniversary this year and is proud to present a campaign represented by three generations of Neumann family women - legendary skier Kateřina Neumannová, a long-time MORA brand ambassador and a symbol of active family life, her daughter Lucie and her lovely grandmother Zdena.

These three ladies are connected by their active lifestyle, love of good food, tradition and sense of quality, just like the MORA brand, which has been proven by generations of Czech chefs. Both a mother and a daughter, Kateřina Neumannová will traditionally take part in the Lipno Sport Festival, of which she is the founder and director, and which MORA will also attend.

And the MORA brand is also planning to celebrate its 200th birthday at Lipno in August.
