Cycling and Hitchhiking to Asia and Back

"There comes a point from which there is no return. This is the point that must be reached."

When: Wednesday 4 February, from 5:30 p.m.

Where: Filadelfie Building shopping arcade, Želatovská 1525/1

Speaker: Lukáš Psohlavec

Lukáš Psohlavec reached that point after several days in the saddle of an old Madison bicycle, when he left the Czech Republic for an unknown length of time. Ahead of him lay a journey with no plan and no final destination. A journey that eventually led him through more than twenty countries over the course of ten months. He first travelled by bicycle and later mainly by hitchhiking, passing through countries such as Iran, Myanmar and China.

During this travel evening, he will share stories about freedom on the road, experiences along the way and, above all, the people without whom the journey would never have been possible.

EXHIBITION: STILLNESS

Sean McAlorum

When: February 2026

Where: Alpha Building, Vyskočilova 1461/2a

Sean McAlorum's paintings capture moments of pause - times when movement and time itself seem to be held back. Figures, trees and stumps are not simply motifs, but quiet witnesses to a changing landscape and the human presence within it. This stillness is not empty - it is filled with tension, memory and expectation.

In the pause, space opens up for attentive observation and quiet presence.

New Flavours at Sushi Time

Sushi Time is expanding its menu with three tempting new items that will delight anyone who loves modern sushi and bold flavours. Each one is built on fresh ingredients, balanced combinations and careful preparation.

A light and refreshing option is the new **avocado onigiri**, where delicate rice meets avocado, tomatoes, a sesame mix, chilli flakes and kizami wasabi. The result is a gently spicy flavour, the perfect choice for a quick lunch or a short break during the day.

For those looking for a richer sushi experience, there is the **Tuna Premium set**. Juicy tuna paired with fried torpedo shrimp, avocado and a sesame coating makes for a perfectly balanced combination, finished with lightly spicy kimchi mayo and fresh chives.

Fans of sweet-and-savoury flavours will love the **Mango Mayo set**. The pairing of salmon, tamago and asparagus with smooth mango mayo and crispy fried onions creates an unexpectedly harmonious and original taste.

These new items are perfect for a quick lunch, a light dinner, or discovering fresh combinations that take the sushi experience one step further.
